

■ **The Sliding Doors Company**

■ Sliding entrance doors for bedrooms & bathrooms

■ Sliding wardrobe doors

■ Fully customised wardrobes with sliding doors

■ Sliding entrance doors for bedrooms & bathrooms

The smooth gliding space-saving, sliding door.

A complete sliding door in a box.

Easy DIY solution.

Everything is included: door, hardware, fascia, track, slide-lock, screws, wall plugs and instructions.

Available in a range of melamine woodgrains, white melamine, frosted glass & mirror finishes.

Mirror doors can be double sided, or single sided with your choice of woodgrain on the other side.

Doors are fitted with a slide lock for privacy.

Standard size, 890 x 2050 mm, to fit standard doorways, 813 x 2030 mm.

Custom sizes made to order.

All our doors incorporate a unique wheel and track design that prevents the door from hopping off the track.

■ Wide range of colours and finishes available. Contact us for information

■ **Alfa Sliding Door**

Modernise your wardrobe - convert to sliding doors

Before

Conventional wardrobe

Modernise the look of a bedroom by replacing old traditional hinged doors with elegant, space-saving sliding wardrobe doors.

- Slim, low-profile aluminium frames
- Robust roller and track mechanisms
- Safety protected. SABS tested
- Smooth, effortless opening and closing
- Mirror or Wood-grain Melamine finishes
- Full installation service available. Call us for a quote

Old-style built-in wardrobe:

Remove hinged doors from existing frame;
No need to remove framework;
Install woodwork (*comes as a separate kit*) consisting of fascia assembly and side-cheeks;

Install sliding doors: (standard 640 mm doors shown here)

Fit top & bottom tracks;
Install your sliding doors, following full instructions included;
Use the door calculator below to determine size and number of doors required to fit your existing wardrobe size.

After

Completed mirror sliding doors

Useful Information

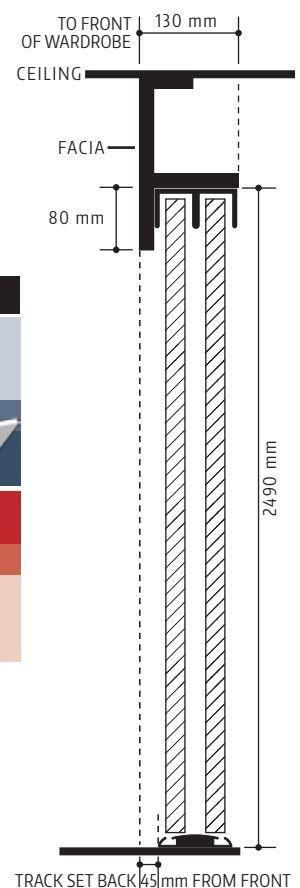

Standard Sliding Wardrobe Doors are supplied one per box in either mirror or white melamine finish;
Standard doors come in two sizes, 640 mm or 930 mm wide, both 2450 mm high;

Custom size doors and finishes are available on request;

Bottom running wheels and top guides are pre-fitted to each door, not packed with track sets;

Top and bottom track sets are supplied separate from the doors, available in two lengths; either 1840 or 2800 mm, which can be cut to size on site. *Longer track lengths are available on request;*

You need to have a minimum ceiling height of 2530 mm to be able to fit standard doors
