for kids

Pop art

Wallpaper it

The new **Styla** is a slim & elegant, modern, space saving sliding door that gives you the freedom to express your own personal style.

Decorate it yourself! Styla

Supplied unprimed, unpainted
Suitable for standard doorways*
Complete DIY sliding door in a box

The Styla sliding door is made from plain unpainted MDF board.

Consult the paint department at your hardware store for advice on achieving a quality paint finish for your Styla door.

Or contact the Plascon Advisory Service at 0860 20 40 60

* The Styla sliding door fits a standard door opening of 813 x 2030 mm (or smaller).

You will also need to have free wall space next to the opening equal to the size of the door to allow the Styla to slide open.

IN THE BOX:

- 1 The Door:** 890 x 2070 mm, suitable for a standard opening of 813 x 2030 mm (or smaller);
Supplied unprimed, unpainted and fitted with a slide lock (for privacy purposes only);
- 2 The Track:** Including wheels and stoppers;
- 3 The Fascia:** Supplied unprimed, unpainted;
- 4 Installation Pack:** All the screws, wall plugs and the bottom guide.

NB: The pictures featuring the new Styla sliding door are shown as suggestions - to show the decorative possibilities of the unpainted product.

Do not attach heavy materials such as metal, mirror or glass to your Styla door when decorating it. You will exceed the weight tolerances and seriously compromise your safety.
